

Institution Industry Cell

Interaction between the Industry and Institute is essential to strengthen the relationship between Industry and Institute, the Industry-Institution Interaction Cell provides an excellent platform for students to be aware of Industry expectations from the graduates.

As students it is important to get exposure to Industry and subsequent placement in various disciplines. On the other hand even Industries also need good students who are well aware of Industry standards and capable of achieving so. Therefore, bridging the gap between Industry and Institute Industry Institute Interaction Cell is formed at Guru Nanak Institute of Engineering & Technology, Nagpur. III cell of GNIET is as follows –
